

Mabel McKinley-Niece of the Late President of the United States-Takes Nuxated Iron for Health and Strength And Says She Regards It as The Ideal Tonic For All Weak, Run-Down Nervous Women

Dr. George H. Baker, Formerly Physician and Surgeon Monmouth Memorial Hospital of New Jersey, Explains Why Iron Is One of the GREATEST OF ALL STRENGTH BUILDERS

Says: He has found nothing in his experience so effective for helping to make strong, healthy, red-blooded women as Nuxated Iron.

Every woman who wishes to possess health, strength and beauty, should carefully read the statement of Miss McKinley who, after her personal use of Nuxated Iron tells of the results she obtained.

Miss McKinley says: "While I had often heard of Nuxated Iron I must admit that prior to using it myself I had no idea of its remarkable value for building up the health and strength."

"Following the strain imposed by the duties of the nurse during the war, I found myself in a very weak condition, and I was unable to do my work as I had been accustomed to do."

"It seemed utterly impossible for me to drop everything and go away for a complete rest, but I realized that as my condition was serious I must either do this or find something that would actually rebuild my weakening strength and enable me to continue my activities."

"I had always been prejudiced against tonic preparations which, for the most part, I found only acted as a temporary stimulant and usually left one worse off than ever. However, when my own family physician insisted upon my taking Nuxated Iron, I consented to begin its use, with a result that after a few days the weakness and exhaustion from which I suffered began to be replaced by a feeling of renewed strength and vitality. In less than three weeks' time my whole system was tingling with energy and power and I was overjoyed to find that I was once more in superb physical condition."

"Nuxated Iron has accomplished so much for me that I regard it as the ideal tonic for all weak, run-down women. As a strength, health and blood-builder, I am convinced Nuxated Iron has no equal."

In commenting on Miss McKinley's statement, regarding the efficacy of Nuxated Iron, Dr. Ferdinand King, New York

Miss McKinley has a voice of unusual quality and it was following her work singing for the soldiers that she became weakened and run-down and had recourse to Nuxated Iron. Once more in superb physical condition, Miss McKinley says she is convinced that Nuxated Iron has no equal as a Strength, Health and Blood-Builder.

Physician and Medical Author, says: "It is my opinion that in practically nine times out of ten, unstrung nerves and failing strength and vitality are due to deficiency of iron in the blood. Many women who are run-down, nervous and who quickly tire out, suffer from iron deficiency and does not know it. I am convinced that there are thousands of such women who, simply by taking Nuxated Iron, might readily build up their red-blood corpuscles, increase their physical energy and get themselves back to vibrant and vigorous health. By enriching the blood and increasing its oxygen carrying power, Nuxated Iron will often transform the flabby flesh, limbered tissues, and pallid cheeks of nervous, run-down women into a glow of health, and make them look younger within a surprisingly short time."

Among other physicians asked for an

opinion was Dr. George H. Baker, formerly Physician and Surgeon Monmouth Memorial Hospital, New Jersey, who says: "What women need to put roots in their cheeks and the springtime of life into their step is not cosmetics or stimulating drugs but plenty of rich, pure blood. Without it no woman can do credit to herself or to her work. Iron is one of the greatest of all strength and blood-builders, and I have found nothing in my experience so effective for helping to make strong, healthy, red-blooded women as Nuxated Iron."

Manufacturers' Note: Nuxated Iron which is recommended above by physicians is a pure, potent tonic which is well known to druggists. Unlike the older iron preparations, it is easily assimilated, does not irritate the stomach, makes the blood, and repeats the remark. The manufacturers guarantee successful and entirely satisfactory results to all purchasers or they will refund one dollar. It is dispensed in this city by all good druggists.

CHELSEA

Mrs. E. G. Reed entertained as her guest last week her sister, Mrs. Eliza Dow of North Ware, N. H.

The many friends here of Leon Osborne of Tunbridge, who at one time was a student here and later a clerk in the bank and who went into the service from this town, will be interested to learn that he has accepted a position in Providence, R. I., and has gone there to take up his new work.

Mr. and Mrs. Dan G. Bixby have gone to Woodstock, where Mr. Bixby has accepted a position in a drug store, and it is understood that Mrs. Bixby has secured a position there to do clerical work.

William H. Adams, son of Judge and Mrs. B. H. Adams, left Sunday for Northfield to be present at the opening of Norwich university at retreat on Tuesday evening. Mr. Adams goes back to take up the work of his junior year.

Mr. and Mrs. Harry R. Wishart of Winoski have been guests during the past week of the latter's parents, Colonel and Mrs. H. O. Bixby.

At the Horace Moxley auction of pure-bred Jersey cows last Saturday afternoon the price ranged from \$50 to \$100, which was considered a good sale, since most of the cows were spring instead of fall cows.

Joe Darling left Tuesday afternoon for Barre, where he will enter Goddard seminary to take up a year's course of study in the business department, and Luther Baraw and Leon Clark left Tuesday for Montpelier to take a year's study in Montpelier seminary.

Miss Bernice Hood of Brockton, Mass., was a guest last week of her uncles, William A. and F. E. Hood.

George Thompson, who has been in the U. S. service during the past two years and who has just returned from Germany, was a recent guest at the home of his brother, Leonard I. Thompson.

The many friends of Harold A. Dwell in this town and throughout the county will be interested to learn that after a full hearing given him by Secretary of State Charles A. Black at Bradford, the evidence produced satisfied the state official that Mr. Dwell was entitled to have his license, which was revoked on Aug. 18, reinstated, and on Sept. 7 he received notice from Mr. Black of reinstatement and has since that date been operating his car.

Lee R. Whitney and Elsie M. Hood, daughter of Mr. and Mrs. Ezra W. Hood of this town, were married at White River Junction on Sept. 2 by Rev. Robert Hoselinge, a former pastor of the local Methodist church.

Rev. John A. Lawrence was at Middlebury last week attending a convocation of Congregational clergymen.

Moses J. Rivers, who went into the service the first of October, 1918, received his discharge at Camp Devens and arrived home last Friday. Mr. Rivers' term in the service has been devoted to hospital work in New York and Jersey City as an aid to the surgeons and he has seen some wonderful operations performed and has altogether a different idea of what the human anatomy can endure under the knife than he had before he went into the service.

Mr. and Mrs. C. I. Hood and Miss Josephine Wilder of Lowell, Mass., have been guests at the Chelsea inn during the past week.

Miss Coddington, who went to Bethel last week with Dr. Cook's people to assist them in getting settled in their new home, returned Monday evening and has gone to her home in South Washington. BETHEL

Mrs. Dorothy Curtis is visiting her daughter, Mrs. G. M. Owen, in Concord, N. H., for a few weeks.

Mr. and Mrs. J. Howard Myott returned yesterday from a few days' visit in Franklin county. On Monday evening they attended the 50th wedding anniversary at Enosburg Falls of Mr. Myott's parents, Mr. and Mrs. Lawrence Myott. Of 10 children, all of whom are living, eight were present at the celebration.

Mrs. Cora Bradley returned yesterday from a three weeks' visit in Springfield, Mass.

F. A. Parsons has 17 acres of field corn approaching maturity with which he is

filling three bins. He believes it pays to do this rather than have the ears picked, husked and ground. He picks only enough ears for seed.

A daughter was born yesterday to Mr. and Mrs. John A. Aldrich.

Mr. and Mrs. Charles Hannon of Boston are guests at F. N. Chapman's.

Lieut. James H. Wilson has landed from overseas and is at Camp Dix.

MILEAGE

The motor runs far and true on a filling of So-CO-ny Gasoline. The force of every drop goes into mileage. No delayed starts nor tardy pick-ups, no clogged carburetors, no carbon-sapped power with So-CO-ny. It burns clean—vaporizes readily any season—requires just one carburetor adjustment.

Now or a month from now—here or hundreds of miles from here—it's the same.

Inferior, inert mixtures shorten engine life. Think twice before you buy them. Choose So-CO-ny. At the So-CO-ny Sign.
